NOTICE

Arches are designed to complement wood and polyclad shutters with coordinated frames. They will match closely in look and color but due to differences in material, a "perfect" match is unlikely. Arches are custom made and **NOT SUBJECT TO CANCELLATION**.

Shutter Type: **SS** - ShutterSMART **MM** - Miramonte

Color: Colors will be selected according to shutter. Basic fixed louver arch is only available in White or Off White. Basic Arch colors are close match but not the same as shutter color.

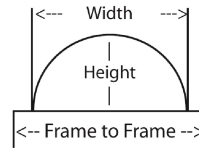

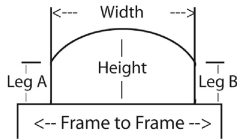

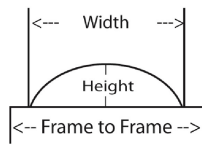

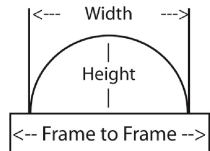

Mount Type: **IN** - Inside **OUT** - Outside

Arch Type: **AH** - Half Circle

AL - Elongated

AE - Eyebrow

AO - Arch Horizontal Louvers

Frame Types: **SS-ST** (Standard) **SS-DS** (Designer) **SS-ZF** (Z Frame) **SS-TR** (Trim Z Frame) **SS-EL** (Elegance Z Frame)

MM-ST (Standard) **MM-DF** (Designer) **MM-ZF** (Z Frame) **MM-DZ** (Deco Z Frame) **MM-EL** (Elegance Frame)

Frame Sides: **AW** - Arch window will the same frame design on all sides including arch bottom.

AS - Sil Plain frame on the bottom of the arch (req'd when placing an arch on top of shutter frame)

Measuring: Provide width and height and indicate whether they are Window opening size, Frame face tip to tip size or Shutter size.

W - Window Opening Size: Factory makes the additions below to the opening size to get the arch tip to tip size that face mounts around the window.

Inside Mount- Factory deducts 1/4" to opening then adds frame overlap size. (SS-ST 4" SS-DS 5" SS-ZF 7/8" SS-TR 2 1/4" SS-EL 4 1/4")

Outside Mount- Factory adds the following to opening size for the frame overlap. (MM-ST 2 1/2" MM-DF 4 1/2" MM-ZF 1 1/4" MM-EL 4 1/4")

FT - Frame Face Tip to Tip Size: Factory makes no additions to this size. Typically, used when matching an existing shutter or when factory standards should not be used.

S - Shutter Size: To be used only by shutter size customers that make inside mount deductions or outside mount additions.

Factory will add the frame face overlaps for inside mounts.

Price: Pricing is based on sqft price + surcharge per opening.

Custom Frame Half Circle, Elongated, Eyebrow operable louver arches (shape AH, AL, AE) - sqft price + \$175 per opening

Other custom designs (shape AO) - start at \$11.50/inch and up based on design. Call for custom shape pricing.
