

Window Insulation System 2023 Manufacturer's Certification

Tax Credit 30% up to \$1200, not including installation.

US Polymers Inc. hereby attests that the ShutterSMART EnergyGuard window insulation System is an eligible Building Envelope Component that qualifies as a window insulation system that is principally designed to reduce heat loss or gain in a dwelling. It qualifies for a Federal Tax Credit for the tax year 2023 as a non-business energy property under Internal Revenue code Section 25C in the Inflation Reduction Act of 2022 for a tax credit of 30% or up to \$1200 not including installation.

This Certification statement is in compliance as of January 1, 2023.

Under penalty of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and believe the facts are true, correct, and complete.
