STAINED WOOD SHUTTERS

MiraMonte Premier is an exclusive line of high end basswood shutters that offers rich stain colors and custom paint matches to meet the most discerning tastes.

We hand pick the purest 100% North American Basswood paying close attention to minimizing the imperfections found in natural wood. Then we stain and clear coat twice over to offer you the rich look of traditional wood shutters. MiraMonte Premier shutters are hand crafted to fine furniture quality standards.

All shutters are tailor made to your windows custom specifications.

Solid wood without lamination lines or finger joints for a natural stain effect

Strong Triple dowel furniture quality joinery
